Dear Ms. Smith Greer:

I am writing in support of a proposal by the First Congregational Church in Bristol and the East Bay Community Development Corporation to establish a new food pantry at the Franklin Court building located in Bristol, RI.

The addition of the food pantry at this location will provide support to the East Bay area of Rhode Island. With the winter months approaching, it is imperative to provide nutritious food and assistance to individuals and families in need.

I commend this project and request your consideration within the applicable rules and regulations. If I can be of assistance to you in this matter, please do not hesitate to contact Christopher Albert of my Providence Office at 401/528-5200.

Sincerely,

Jack Reed  
United States Senator
